## ETA Corporate Membership

The benefits of being corporate ETA member are numerous and include the following:

1. Reduced rate for congress registration (Annual Meeting) for two company representatives (the registration fee will be similar to the one for ordinary members).
2. Representation of the company's logo on the ETA website.
3. Possibility to link the ETA website to the company's website.
4. Access to ETA membership list.
5. Possibility to sponsor one of the annual ETA prizes with the company's name attached to the award, providing the opportunity to have the company represented during the award ceremony.
6. Possibility to exclusively sponsor one of the ETA activities (such as the ETA website, the ETA newsletter, other ETA publications, ETA-endorsed regional meetings and educational courses), with the right for advertisement in the sponsored activity.
7. Priority in a) selection of the location of the company's booth at the exhibition attached to the ETA annual meeting, b) the possibility to sponsor a particular symposium in the scientific program of the ETA annual meeting by an unrestricted educational grant.
8. Possibility to organize satellite symposia at the annual meetings.

A minimum amount of **corporate membership fee** should be **10,000 € annually** for at least **two consecutive years**.

Further benefits according to the wishes from the company would also be possible and could be negotiated.
